

JUNE RALLY REPORT by Dee Holloway

Happy Anniversary to us!

It's a good thing we were ready for a hot time at our Anniversary rally, because when we arrived at the Choctaw KOA it was an actual 91 degrees that felt like 99.

We are always excited to have our rally at Choctaw because it's a top notch facility. The commercial kitchen is great for the host team to use while preparing our meals. Our hosts for this rally were, Dennis and Erika Moore, Ernie and Lou Ann Marchisin, Gary and Kathy Mabry, Patrick and Kathy Duvall and Snoopy and Susan Campbell. We had 6 guests, Connie and Tuck's grandsons, Tucker and Colton, Dee Holloway's granddaughter, Angela Schweikert, a couple from Searcy, AR, Lee and Jo Phipps and Rick Sokol.

Most everybody arrived on Wednesday, eager to see each other and to learn what each one had done since the rally in Kerrville in May. We thought we were going to melt, while we were setting up, but soon awnings were up and chairs were out, ready for sharing news and good conversation. This is the greatest group of friends that anybody could have for sure. Dinner was on your own; some tried the restaurant at the casino, that's been renamed, "The Grand". Food was good, but the service was slow. There were others who drove back to Denison, TX for a dinner.

Thursday was just what the doctor ordered; it was very relaxing during the day. Some made a run into Durant for

shopping and found their way to the ice cream store. The casino called to others. Members gathered on Thursday evening for the social hour before dinner. At 6:00 pm we had a pot luck meal with everybody contributing something yummy. The Charter members were honored and seated at a beautifully decorated head table. A red, white, and blue theme was carried out on the member tables also. Charter members attending the rally were Norma Hamel, Gary and Kathy Mabry, Darrell Gilliland and Dee Holloway. The other charter members were either ill or were traveling and couldn't attend. Seventeen years ago we chartered with 22-24 coaches. Everyone was given a ticket for a door prize drawing with multiple gifts being given out. Poker and games filled the rest of the evening.

The club house had the most wonderful aroma when we arrived for Social Hour on Friday evening. Taste buds were watering, waiting to dive into a dinner of Italian Spaghetti with meat sauce, Garlic Bread, and salad. We were not disappointed, everything was delicious. Multiple desserts were placed on a table, including lemon pound cake and chocolate squares, which quickly disappeared. Happily, each night we have more people staying after dinner to play games and socialize.

Breakfast was served at 9:00 am on Saturday morning. We enjoyed freshly baked biscuits, sausage gravy, scrambled eggs, juice and hot coffee. Our president, Bob Kriesman, called the business meeting to order. The nominating committee chairman gave a report listing nominees for 2019 officers. Darrell Gilliland informed us of some upcoming legislation on membership. After the meeting, we had free time during the afternoon

until the Social Hour.

The hosts outdid themselves on the anniversary dinner. Weiner Schnitzel, Gravy, Sinful Potatoes, Vegetable medley of broccoli, carrots, and cauliflower were served. The beautiful Anniversary cake was cut by Connie Tucker and served with ice cream by her grandsons, both boys wore patriotic beaded neckties. We hope that we have many more anniversaries to celebrate our friendship and travels. Horse racing was planned for our evening's entertainment. Next we went, off to the race track, to check out the horses. There was a lot of excitement, with those who bet cheering on their horses. After four races, the horses went back in their barns and we set up tables to play games.

We arrived at 8:30 am Sunday morning, to have breakfast of sweet rolls, juice and coffee. Wendell led a devotion about things God is responsible for; one of the things God is not responsible for is fear. Fear comes from the Devil, but God can erase your fears and give you confidence, if you ask him. After the devotion, the men took down the tables and put the chairs away. We hugged and said goodbye to each other. People were off to different destinations, some lucky ones were headed to cool Colorado. Another great rally came to an end.

Happy summer travels everyone!!

JUNE D A AWARD

Well it seems no one is telling anything on spouses or on someone else.

Luckily for me this little bird came by, I think it was a mocking bird, and told me that a coach on the 3rd row has duct tape all over the side. Suspicious me, I took off walking and low and behold sure enough, there were signs right in the middle of their coach that obviously they had gotten to close to an unmovable object. Let's see, first the bay door was damaged, then the door to an appliance compartment was completely "Oklahoma chromed", then the bay door next to that was damaged. It's nice that the color of the Allegro Bus is gray, almost Duct Tape gray.

Don Berry, guess who gets to keep the D. A. trophy thru the summer months.

PROPOSED BYLAW AMENDMENT

IMPORTANT A proposal for a change to our chapter by-laws was submitted to the Bylaw Committee in April. The intent of the proposal is to open the chapter membership to some classes of pull type recreational vehicles. The proposed amendment is available on the document page of the chapter website.

As you know FMCA amended its bylaws in December 1997 to open membership to all classes of recreational vehicles. That vote to amend national bylaws is applicable to membership in FMCA, not to membership in chapters of FMCA. The decision for chapters to admit other type of recreational vehicles requires a change in the chapter bylaws. The amendment proposed for our chapter would open membership to two classes, Fifth Wheels and Conventional Type pull trailers. Excluded would be recreational vehicles classified as Sport Utility Trailers (Toy Haulers), Truck Campers and Folding Camping Trailers.

In its June Business Meeting the membership approved a procedure to conduct an election by email/mail to allow the entire membership the opportunity to express their wishes as to this change. Consider this newsletter article and/or the minutes of the June business meeting the 30 day notice of the election. The voting process will occur between the dates of July 16 and July 31, 2018.

Our chapter has three members who do not have email addresses and will be sent a mail ballot. All other members must vote via email. The ballot will be posted on the chapter website. Each eligible member may download the fill-able form, save it to the computer, check "yes" or "no", type your name and F number in the two boxes provided on the form. Save again to your computer. Attached the completed ballot to an email and send to:

Redriverrovers@yahoo.com.

Prior to the election process you will receive an email with another attachment to again inform members of the amendment and the voting process.

Thirty two coaches, Sixty four (64) members and guest, including a guest who happened to read in the FMCA magazine that we were having a chapter rally in Durant.

The hosts team did an outstanding job of providing meals and some after dinner entertainment to supplement the gaming at the casino.

Ladies and some young men enjoy the craft session which was to make a personalized water bottle name tag.

Probably nothing more than a "tall tale".

Everyone likes to visit with one another.

The photo on the left is of the Host table. Of course, they eat last.

The food at this rally was outstanding, maybe even 5 stars.

Connie and Tuck Tuck-er rallied with their two grandsons who are visiting from Oregon.
